Record of Decision made in respect of the Mayor's Police and Crime Commissioner functions

Title/Subject: Pol-Ed Research Agreement with Huddersfield University
Serial No: MPCC246
<p>Summary: The Pol-Ed programme is an innovative contribution by West Yorkshire Police (WYP) to PSHE teaching in schools within the region. Running in some form throughout the Covid pandemic, the programme has evolved over the previous two to three years, with a substantial roll out to 500+ schools in 2021. Pol-Ed is now sufficiently established that WYP are considering forming a permanent team, as well as exploring how the programme can further evolve and expand. To support this, discussions have been held with the University of Huddersfield Applied Criminology and Policing Centre (ACPC) regarding an evaluation of the programme. It has been proposed that this should take the form of an initial assessment of the reach and use of Pol-Ed within West Yorkshire schools, followed by a more detailed evaluation of Pol-Ed over the 2023/24 academic year. This proposal relates to the initial assessment, with a completion date of April 2023.</p> <p>The Pol-Ed team wish to establish a business case for continued roll-out of Pol-Ed, to establish a permanent team, and as proof of concept for scaling up and this research will form an important part of that business case.</p> <p>Legal services have approved the draft agreement.</p>
Requested Decision: The authority enter into the research agreement with Huddersfield University
