

The Mayor's Police and Crime Commissioner Functions Scheme of Delegation

These arrangements are to have effect from 10th May 2021 until superseded by any subsequent scheme approved by the Mayor. This Scheme of Delegation replaces previous schemes in operations and reflects the obligations and needs of the Mayor.

1. Introduction

- 1.1 This Scheme of Delegation provides authorised individuals with the legal authority to carry out specific Police and Crime Commissioner Functions (PCC Functions) on behalf of the Mayor.
- 1.2 The PCC Functions are set out in section 1 of the Police Reform and Social Responsibility Act 2011 (the 2011 Act) as modified by The West Yorkshire Combined Authority (Election of Mayor and Functions) Order 2021(the 2021 Order)
- 1.3 The statutory powers of the Mayor to arrange for others to exercise PCC Functions are set out in section 18 of the 2011 Act. In addition, by virtue of section 14 of Schedule 1 of the 2011 Act, the Mayor may do anything which is calculated to facilitate, or is conducive or incidental to, the exercise of those functions, subject to other provisions in the 2011 Act and any other enactments concerning the exercise of PCC Functions.
- 1.4 With the exceptions set out in this paragraph and in paragraphs 1.5 and 1.6 below, the Mayor may delegate PCC Functions to a Deputy Mayor for Policing and Crime or arrange for any person to exercise any PCC Function subject to any statutory exclusion. The Mayor cannot delegate their PCC Functions to:
 - A constable,
 - The Mayor's Office for Policing and Crime (as defined in the 2011 Act) ,
 - The Deputy Mayor for Policing and Crime appointed by the Mayor's Office for Policing and Crime (as defined in the 2011 Act),
 - A Deputy Mayor under section 107C of the Local Democracy, Economic Development and Construction 2009 Act,
 - The Mayor of London,
 - The Common Council of the City of London,
 - Anybody which maintains a police force,

- A member of staff of the above,
 - the Combined Authority.
- 1.5 The Mayor cannot delegate certain PCC Functions to anyone else. These Functions are:
- Issuing the Police and Crime Plan.
 - Appointing, suspending, and requiring the Chief Constable to retire or resign,
 - Calculating the PCC component council tax requirement.
- 1.6 The 2011 Act also specifies those functions which, if delegated, can only be delegated to a Deputy Mayor for Policing and Crime, namely:
- Determining police and crime objectives,
 - Attending the Police and Crime Panel (PCP),
 - Preparing an annual report to the PCP.

2. General principles of delegation

- 2.1 This Scheme of Delegation provides authorised officers with the legal authority to carry out specific PCC Functions on behalf of the Mayor. Throughout this Scheme the Mayor expects that any person carrying out PCC Functions on the Mayor's behalf, or making any related decision, will comply with statutory and regulatory requirements and act within policies and strategies approved by the Mayor and will take appropriate professional advice as necessary, particularly legal and financial advice and where appropriate, operational advice from the Chief Constable.
- 2.2 **The Mayor expects anyone exercising delegated powers under this Scheme to draw to the attention of the Office of the Mayor any issue which is likely to be regarded by the Mayor as novel, contentious or repercussive. In addition, the Mayor is ultimately accountable for the Police Fund, before any financial liability affecting the Police Fund that the Mayor might reasonably regard as novel, contentious or repercussive is incurred, prior written approval must be obtained from the Chief Finance Officer. Delegations for such approval are set out in this scheme.**
- 2.3 It is recognised that, unless a power or PCC Function of the Mayor must, as a matter of law, be exercised personally by him; these PCC Functions may be exercised by officers that have been given delegated authority to act on the Mayor's behalf. These

delegations are designed to assist the Mayor in the performance of PCC Functions.

- 2.4 For the avoidance of doubt, any of the Mayor's statutory PCC Functions may be exercised directly by the Mayor at any time, irrespective of whether those functions, or matters ancillary to them, have been delegated to any other person.
- 2.5 In the Mayor's absence or where specifically authorised to do so by the Mayor, a Deputy Mayor for Policing and Crime may exercise any of those functions (except those Functions which cannot be delegated, as set out in paragraph 1.5).
- 2.6 The Mayor, or the Deputy Mayor for Policing and Crime, if authorised to do so by the Mayor, may at any time issue specific delegations to any person to exercise any of the Mayor's PCC Functions (unless prohibited by law).
- 2.7 No decision will be taken on behalf of the Mayor unless the relevant person has the power to do so as set out under the terms of this Scheme and in accordance with the Officer Scheme of Delegation (Appendix 1). The Monitoring Officer is responsible for overall adherence to this Scheme.
- 2.8 All decisions authorised officers make under delegated authority given to them must be recorded and be available for inspection by the Mayor.
- 2.9 This Scheme is intended to complement The Mayor's PCC Financial Regulations and The Mayor's PCC Contract Standing Orders and to be read in conjunction with the Chief Constable's Scheme of Consent and any other relevant arrangements adopted by the Mayor. However, in the event of a conflict, the provisions of this Scheme have precedence.
- 2.10 The Statutory Officers of the Combined Authority have a duty consistently to monitor the effectiveness of this Scheme and to recommend changes, as necessary, to the Mayor. It will be reviewed on an annual basis by the Statutory Officers and the Chief Constable's Chief Finance Officer^(O&J) as part of the annual review of financial management and internal control as required by The Accounts and Audit (England) Regulations 2011 and the Financial Management Code of Practice.
- 2.11 Anyone authorised to exercise delegated PCC Functions under this Scheme may make such arrangements as are necessary so as to ensure that those PCC Functions can be exercised properly by other qualified and/or experienced people and will make appropriate arrangements to cater for their absence. Those arrangements must be made known to Head of Paid Service and Monitoring Officer at the point at which they are designed to take

effect.

- 2.12 To exercise the PCC Functions of their office effectively the Mayor will be provided with timely and secure access to all relevant information and data, where a lawful basis and appropriate gateway exist.
