Record of Decision made in respect of the Mayor's Police and Crime Commissioner functions

Title/Subject: Violence Reduction Unit – Criminal Justice work stream – HMYOI Wetherby

Serial No: MPCC018

Summary:

As part of the VRU's Response Strategy, the Criminal Justice work stream remains from the previous year. The impact of the interventions commissioned within this work stream is to achieve a reduction in first time offenders, reoffending and weapon related crime, particularly amongst those victims aged under 25.

After successfully working in partnership with HMYOI Wetherby in the second year of the VRU and using information from the Needs Assessment refresh, we agreed to go out to an EOI from experienced providers to work within this custodial setting. A total of £40,000 was made available, committed until 31st March 2022, to specifically look at addressing violence in a custodial environment. This included those whose offence is for serious violence and reduce reoffending on release.

The successful provider identified is St Giles Trust. They will recruit a Facilitator/Mentor with lived experience of the criminal justice system, custody and youth violence. They will be embedded within HMYOI Wetherby and deliver:

- Four 15-week programmes
- Mentoring sessions
- Training and guidance for Prison staff

Requested Decision:

That the Deputy Mayor for Policing and Crime approves funding of **£39,617** for St Giles Trust to deliver a Criminal Justice work stream intervention in HMYOI Wetherby until the 31st March 2022.
