

West Yorkshire Combined Authority

Record of Decision made in respect of the Mayor's Police and Crime Commissioner functions

| |
|---|
| Title/Subject: Serious Violence Youth Interventions Funding Round – Teachable Moments Bid |
| Serial No: MPCC007 |
| Summary: West Yorkshire Focussed Deterrence Car (Teachable Moment) Bid Building on the existing VRU funded A&E Hospital Navigator & Community Links (CL) programme & in partnership with West Yorkshire Police (WYP) we will expand the focused deterrent model supporting GRIP activity & district policing. Workers sitting within CL will work with & across the service, alongside the Police, to identify vulnerable young people in the community at risk of/already committing crime, their peers, family members & victims in order to help reduce the escalation of risk, build on police relationships with local communities & close the loop between the A&E Navigator Service & single referral route into specialist support offered through CL at present so more work can be achieved directly in the community. Using learning and evidence from the 'IDVA Car' delivery model, this programme will deploy a Focused Deterrence car carrying Experienced Youth Workers/Support Workers with Lived Experience and a WYP non-uniformed officer at the 'teachable moment' following an incident and immediately after Grip/Response officer's arrival or aligned to planned deployment operations/engagement in Hot Spot locations. |
| Requested Decision: We are requesting that the Mayor accepts funding of £485,279.63 from the Home Office and approves delivery of the West Yorkshire Focussed Deterrence Car (Teachable Moment) Bid during 2021/22. |
