

Freedom of Information Request - Solar Photovoltaics (PV) Please add additional columns for each award made between 1 January 2023 and the current day.

No.	Question	1	2	3	4	5	6	7	8
1	Procurement route	Open Tender							
1a	If "other", please specify:	N/A							
2	What was procured	Supply and installation of solar PV panels and related equipment (separate to design work)							
2a	If "other", please specify:	N/A							
3	Procurement award date	Aug-23							
4	Final value of the contract (GBP). (Final amount claimed by the supplier. Where a contract is still being delivered, please supply the estimated total spend by the contract end)	£289,572.00							
5	Contract awarded to (Supplier name)	ECG Facilities Management							
6	Companies house company number of supplier	SC298533							
7	Kilowatt peak (kWp) of solar PV installed	190.09 kWp							
8	Type of solar PV development	Roof-mounted							
8a	If "other", please specify:	N/A							
9	Commissioning / handover date	Jan-24							
10	Project location (Site name and address)	Wellington House – Wellington Street, Leeds	Bradford Interchange - Nelson street, Bradford	Castleford Bus Station – Albion Street, Castleford	Brighouse Bus Station – Ganny Road, Brighouse	Batley Bus Station – St James Street, Batley,	Cleckheaton Bus Station – Dewsbury Road, Cleckheaton	Ossett Bus Station, Prospect Road, Ossett,	Keighley Bus Station – Bow Street, Keighley
11	Project location (Post code)	LS1 2DE	BD1 1TU	WF10 1EG	HD6 1BL	WF15 5SA	BD19 5DL	WF5 8AN	BD21 3QE
12	What category best describes the type of site?	Commercial, business and services (including	Commercial, business and services (including	Commercial, business and services (including	Commercial, business and services (including	Commercial, business and services (including	Commercial, business and services (including	Commercial, business and services (including	Commercial, business and services (including
12a	If "other", please specify:	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A
13	Was the project this contract relates to funded wholly or in part by an external grant?	No	No	No	No	No	No	No	No
13a	If "yes", please give the value of grant funding (GBP)	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A
13b	If "yes", please give the grant funding source	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A
14	Was the project this contract relates to funded or financed from any other sources external to the local authority, other than a grant? (for example, loans, bonds, other equity investors)	No	No	No	No	No	No	No	No
14a	If yes, please give the value of external funding or finance	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A
14b	If yes, please give the source of external funding or finance	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A
15	Please give a description of the contract. Please include any details included in the contract value that are not solar PV or related equipment (for example, battery energy storage or additional works to a roof).	Supply and install specified solar PV panels to Wellington House. Additional battery options were provided and installed at Keighley, Batley and Brighouse. At all other sites the battery option was not required or was not viable to install. Additional options were included within the cost highlighted above.	Supply and install specified solar PV panels to Bradford Interchange. Additional battery options were provided and installed at Keighley, Batley and Brighouse. At all other sites the battery option was not required or was not viable to install. Additional options were included within the cost highlighted above.	Supply and install specified solar PV panels to Castleford. Additional battery options were provided and installed at Keighley, Batley and Brighouse. At all other sites the battery option was not required or was not viable to install. Additional options were included within the cost highlighted above.	Supply and install specified solar PV panels to Brighouse. Additional battery options were provided and installed at Keighley, Batley and Brighouse. At all other sites the battery option was not required or was not viable to install. Additional options were included within the cost highlighted above.
